

M&C TechGroup is a company with a leading position in the gas analysis industry with a large international representation and three production sites in Germany. Our Group is continuously growing with all its subsidiaries nationwide and internationally.

M&C is an employer with a small fluctuation, a strong focus on employee safety and a modern work environment. Our company stands out because of flat hierarchies, quick decision-making and room to maneuver for individuals.

In 2025, M&C has become a part of the MSA Group. [MSA Safety](#) is a global leader in the development of safety equipment and pioneering technology that helps protect people and facility infrastructures around the world. We are committed to providing the latest in innovative, best-in-class safety solutions that feature integrated systems capability and allow our customers to return safely to their families and friends. Every day our customers place their lives in our hands. In response, we provide them with protection they can trust. It is gratifying to lead the way as a source of inspiration. Would you like to join our team of more than 5,000 employees world-wide dedicated to this purpose? We hope so.

The position reports to the CFO of M&C and is critical to the success of the business. You will aid in driving finance and accounting processes and controls related to MSA's corporate functions. In addition, you will need to ensure proper US GAAP treatment of all M&C operating companies.

We are looking for a qualified person (full-time) to join our Accounting Department as soon as possible.
